

all purpose cleaner

Vinegar
Water
Dish Soap
Spray Bottle

Fill spray bottle half full of vinegar
Add a squirt of dish soap
Top up with water

Spray surfaces to be cleaned and wipe with rag of choice

scrubs

Baking Soda

Sprinkle onto area to be scrubbed.
Scrub gently with cloth or sponge and rinse well

Baking Soda
Dish Soap

Mix dish soap with enough baking soda to make a paste
Apply to area to be scrubbed
Scrub gently with cloth or sponge, and rinse well
This one is great for greasy messes

disinfectant spray

Hydrogen Peroxide (3%)
Spray Nozzel

This is a super easy and effective disinfectant.
Take your bottle of hydrogen peroxide and attach a
spray nozzel right to the brown bottle.
Hydrogen Peroxide is light sensitive and will break
down over time.
Spray your surfaces* and let it fizz.
When the fizzing stops wipe with rag.
Repeat if necessary
*test on inconspicuous area first.

oven cleaner

Vinegar
Baking Soda

Boil vinegar in kettle
Pour into a heat proof bowl and place in middle of oven.
Close door and leave for about an hour or two.
Remove bowl, but don't dump yet.
Sprinkle baking soda onto bottom of oven and scrub.
Sprinkle with warm vinegar and allow to sit for an hour.
Go back and wipe clean.

microwave cleaner

Vinegar
Water

Put one cup vinegar and one cup water in a microwave
safe bowl
Microwave on high for 5 minutes
Let stand for 15 minutes
Wipe clean

glass cleaner

Vinegar
Water
Spray Bottle

Fill spray bottle half full of vinegar
Top up with water

Spray window, mirrors or other glass items with the
spray and wipe with a microfiber rag, a glass cleaning
rag, or homemade rags (old flannel baby blankets make
great glass cleaning cloths)
