

A handwriting practice sheet enclosed in a red border. In the top-left corner, there is a red-outlined square box. To its right, a hatched area with diagonal lines extends across the top. Below the hatched area and the box, the page is filled with a grid of 10 columns and 20 rows. The first 10 rows of the grid are aligned with the left edge of the red box, while the remaining 10 rows are aligned with the right edge of the hatched area.

A handwriting practice sheet enclosed in a red border. The top portion of the page is a hatched area with diagonal lines. Below this, the entire page is filled with a grid of 10 columns and 20 rows.

A handwriting practice sheet with a red border. In the top-left corner, there is a red-outlined square box. The top-right corner features a hatched header with diagonal lines. The main body of the page is a grid of 10 columns and 20 rows. The left side of the grid is overlaid with horizontal lines, creating a writing area that is 10 columns wide and 20 rows high.
