

A blank sheet of graph paper with a blue border. It features a small empty square in the top left corner, a trapezoidal area with diagonal hatching in the top right, and a large grid area below. The grid is 10 columns wide and 20 rows high, with the first 5 columns being wider than the remaining 5 columns.

The grid is 10 columns wide and 20 rows high, with the first 5 columns being wider than the remaining 5 columns.

A blank sheet of graph paper with a blue border. The page is divided into three main sections: a small empty square in the top left corner, a trapezoidal area in the top right with diagonal hatching, and a large grid area below. The grid is 10 columns wide and 20 rows high, with the first 5 columns being wider than the remaining 5 columns.
